Family and Friends Greetings

Mother Irene Moifoi Daniels and I have just returned from Monrovia, Liberia, specifically Topoe Town, River Cess County, where the once-thriving Topoe Town School now lies abandoned. The good news is that my wife and I, with generous financial gifts and assistance from many friends, are determined to renovate and restore this school. Although it will be a costly project, we believe that "with God, all things are possible." Our vision extends beyond the school's renovation; we plan to build a clinic that will cater to the needs of the students, community, and surrounding towns in the next phase.

The Need is Great

Thousands of young children within a 50-plus-mile radius are not in school. While there are a few substandard schools in the area, we are committed to providing the best education and learning environments for them. As someone who has benefited from the kindness of others, I see myself in these children and am driven to make a positive difference. Help us make dreams possible for them

Progress Update

After overcoming the challenge of land acquisition, we were able to purchase **459.99 acres** for the school with God's help. This land will feature the following:

- A football/soccer field
- Basketball court
- Baseball field
- Track and field
- Volleyball court
- A large-scale farm to provide food for the students and sustain the school financially

The rebuilding work has begun, and we invite you to join us in this mission. Together, we can make a **Positive Difference!**

Prayer List and Needs

We are praying for the following:

1. Volunteer teachers, educators, doctors, dentists, nurses, and extracurricular teachers willing to dedicate a semester or one to three months to help us.
2. A mini hydroelectric power source and a solar farm for electricity.
3. Books for pre-school to 12th grade, computers, and laboratory equipment for science labs.
4. **Most urgently, we need Teachers and Educators to join our Team.**
5. **Total Estimated cost for Phase one is USD\$207,385.00**

Join Us Today

We welcome your prayers, kindness, and financial support for this one-of-a-kind project. More photos will follow as we continue to update you on our progress. Together, we can provide a brighter future for these children.

CONTRIBUTIONS TOWARD THE PROJECT

- A). Bishop and Mrs. Irene M. Daniels..... \$13,500.00
- B). Mr. Brian and Mrs. Diane Smith..... \$10,000.00
